Use This Form To:

Request a wire transfer from your Schwab brokerage account to another financial institution. Certain wires to accounts at foreign institutions may be subject to Federal Reserve Board Regulation E, which requires the disclosure of transaction-related fees, taxes, the exchange rate, the availability date, and other information to consumers. Foreign wires subject to Regulation E may be canceled within 30 minutes of payment. By signing Section 8, you authorize your IA to receive wire disclosures on your behalf and (when applicable) to exercise your right to cancel a wire. If, however, you want to receive Regulation E disclosures and exercise your right to cancel wires yourself, please contact Schwab Alliance at 1-800-515-2157. Please note that in either case you will receive a receipt for the transaction by mail.

- If there is more than one wire instruction, please complete and attach copies of Sections 2 or 3.
- Please contact your IA for the appropriate distribution form if requesting a wire from one of the following account types: 529 Plan, Education Savings, IRA, 403(b)(7), Individual 401(k), Qualified Retirement Plan (QRP) accounts, Schwab Bank Investor Checking™, Schwab Bank Investor Savings™, and Schwab Bank Pledged Asset accounts.
- Note: This form may only be used to establish a standing authorization on an IRA or Education Savings if a Tax Withholding Election (TWE) has been completed. If no TWE has been completed, you may only establish a new Wire standing authorization through the IRA Distribution Form or ESA Distribution Form.
- Account holders with Conservatorship or Guardianship accounts are not eligible to set up standing authorizations for their IAs.
- Important Note: If the wire transfer distribution amount exceeds the available cash and the account includes a margin feature, a margin debit will be created or increased as a result of the wire transfer request.
- You may wire transfer cash out of a Custodial account **only** for the benefit of the minor. Wires out of Custodial accounts are not permitted to accounts with the following registrations: Trust, LLC, Partnership, Custodial IRA, and Individual IRA, even if the distribution is for the benefit of the minor or is reimbursement of payments made for the minor's benefit.

4. Please Read, Sign and Date

I authorize Charles Schwab & Co., Inc. ("Schwab") to wire funds from my Schwab account pursuant to the preceding instructions. **I understand that wiring funds outside of the U.S. may take up to seven business days.**

We may wire funds from your Schwab account based on the information you provide above. **Please note:** Accuracy is important. If you describe any recipient or financial institution by name and account or identifying number, we and other institutions may process the wire based solely on the number, even if it identifies a different person or entity. If you provide an incorrect account number, you could lose the amount transferred. We may refuse to act upon any instruction that we cannot verify as accurate and authorized by you.

For Custodial Accounts: I acknowledge that, subject to applicable law, these funds will be used for the sole benefit of the minor listed on the account or held as custodial property of the minor and, as such, shall be transferred to the minor no later than the time for termination of the custodianship.

For Standing Authorization only (all Schwab account holders must sign and date. For Schwab Trust, Corporate, Partnership or other Organization accounts, at least one Trustee or Authorized Agent must sign and date. Please note that the FTA or FPOA cannot sign to establish this Standing Authorization.): Such requests may be made by me, my FTA, my FPOA, or any person designated as an authorized representative of my IA, and may be delivered to Schwab orally, in person or by telephone, or electronically, or delivered in a signed writing. I understand that Schwab reserves the right, but has no obligation, to confirm my FTA's, my FPOA's, or my IA's instructions with me prior to acting upon the instructions, and may decline to act on these instructions at any time without prior notice.

Please note: Schwab cannot guarantee that the receiving bank will post the wired funds for same-business-day credit. However, in most instances within the U.S., the receiving bank receives transfers on the same business day that Schwab wires them.

Your wire transfer is subject to the terms and conditions of your Schwab account agreement. You may consult your *Charles Schwab Pricing Guide*, contact your IA, or call Schwab Alliance at 1-800-515-2157 for current wire transfer fees.

If an intermediary bank is used, an additional fee may be charged by the intermediary bank. If the wire is subject to Federal Reserve Board Regulation E as a consumer remittance transfer, you may receive additional fee and tax disclosures for each transaction.

Your wire transfer is considered an irrevocable gift if transferred to a donor-advised fund (DAF) account with DAFgiving360™.

I hereby agree to indemnify and hold Schwab harmless from and against any loss, claim, damage, or liability arising out of or resulting from any action taken by Schwab in reliance upon instructions provided in this form that Schwab in good faith believes to be genuine.
